

# Making Broadway 25,000 miles long

The "hit" that hits Broadway is echoed in all parts of the world almost simultaneously by the Edison Phonograph.

All that is best in entertainment of every character comes to Broadway *first*—comes to *you*, on your Edison Phonograph, *second*—comes to the rest of the world perhaps years later, perhaps never.

When you think of the headliners in vaudeville, like Harry Lauder, Stella Mayhew and Marie Dressler; the stars of opera like Slezak and Sylva; the great bands and orchestras, that have made Broadway what it is, remember that

## The Edison Phonograph can make your home what Broadway is

as far as entertainment is concerned—and say to yourself "why should I go to Broadway when Broadway will come to me?"

Remember that the Edison is the instrument that plays the long playing Amberol Records, that renders all Broadway's offerings "as real as the real thing"; the instrument that has exactly the right volume of sound for your home; that has the sapphire reproducing point that never wears out or needs to be changed; and the one on which you can make and reproduce your own records at home.

All Broadway is just around the corner at your Edison dealer's. Go and select your Edison Phonograph and bring it home now.
